mission statement

our inspiration is found in the elements of nature: water, air, earth and fire.

water to calm and balance.
fire to heal and circulate.
air to oxygenate and invigorate.
earth to sooth and detoxify.

our philosophy is to unite the mind, body and soul through exceptional treatments using only the finest products available.

'where there is health and happiness, beauty is found'.

water element

seaweed treatment

norwegian seaweed algae is warmed to body temperature then smoothed onto the skin, stimulating circulation and ridding the body of impurities. this pure seaweed algae is blended with grapefruit essential oil, providing a gentle and therapeutic detoxification that leaves the skin both soft and smooth. cocooned in blankets relax with a scalp massage and finished with an application of our citrus butter cream.

90 minutes 75

body polish

an amazing combination, starting with dry brushing then followed by a ginger-lime dead sea salt scrub beginning at the feet and ending at the shoulders. regenerates the skin by removing dead skin cells and stimulating the lymphatic system removing toxins. leaves the skin tingling and silky soft.

90 minutes 65

earth element

mud treatment

mineral rich mud from the dead sea has been valued for centuries for it's ability to heal and cure. infused with rosemary, the mud is warmed then applied from the neck down to the feet. once rinsed, our ginger-lemongrass balm is massaged in to the skin.

90 minutes 80

air element

back treatment

a eucalyptus-mint steam envelopes the senses, opening the pores and air waves. a citrus-mint scrub is massaged into the skin then cleansed off with hot towels. a refreshing back and shoulder massage finishes the treatment.
